Dear Jan

I hope this reaches you before Xmas - and lets hope and pray it will be the only Xmas you'll have to spend abroad.

Lets pray you'll all be home for next Xmas -

Anyway have a beer with this - and make your Xmas as happy as you can - I know you'll be receiving at midnight Xmas and so will we all so we'll be together in spirit at least
Merry Xmas - and may

God Bless and keep you safe
till you return

Love and prayers
