

To a Swell **BROTHER** On Christmas

"YOU"

"ME"

You used to make me pretty mad,
There isn't any doubt,
With those left-handed compliments
You always handed out!

We fussed a lot and scrapped
a lot,
But just the same it's true,
There's not a **BROTHER** anywhere

**I'D EVER TRADE
FOR YOU!**

*I'm at the hospital again
with the same old thing
But I'm serving mass
& praying for you*

"US"

*Love Always
Joe
