4 P.M.

Dear Mom,

No time to write a letter now. We're leaving in 4 hours on our 3 day maneuvers, during which time we'll get about 6 or 8 hours sleep.

What I have to say is this: Wire me \$25.00 immediately. It is very urgent that I get the money as soon as possible. If you can, take the money that I sent home a month ago and send it on to me. That's all.

Love,
Frank

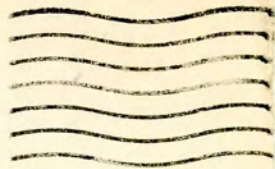

J'espère vous voir bientôt!!
Peut-être, je vous verrais bientôt!
