Dear Frank (etc like that best),

Your generous donation is gratefully accepted and duly appreciated by the needy of this household.

We are glad to say that we are not having too much trouble adjusting the growth (you know crown) - but the beak, that's a problem. It's maddening when one can't get "just the right curve."

Have our in our courageous way, we keep quoting "If at first you don't succeed, try, try, again."

Thank you again from the
bottom of our hearts.

Slaphappily Yours,
Helicity

All I did was cut a piece out
of her when opening the package.
She almost bled to death and
I howled. (She didn't think it
was so funny. How I wonder
why ???!!)
