

For Your
BIRTHDAY

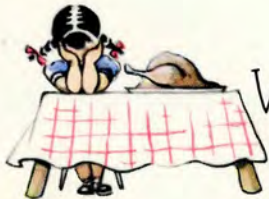

I've moped
around the
house all day

And lately
I've not slept at all,

Without
an
appetite,

Gee Whiz! I look
a sight!

If someone
starts to
kid around
I'm grumpy as can be,

— And all my folks are
wondering

What's happening
to me /
!

Now here's the reason why I'm in
This awful, fretful stew -
It seems I cannot get a wish
That's good enough
for You - -

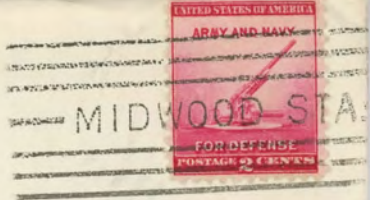

So here's the same old
Birthday wish

(I'm hoping you won't mind it)
I know You rate a nicer one.
But Heck! I cannot find it!

HAPPY BIRTHDAY!

Hel.
