

Saturday 3.30 P.M.

Dear Jan

This is just a quickie
as I want to post Betty to
the P. O. to register this - thought
you might need the money
in a hurry - afraid to send
it un-registered after losing
Joe's. 2.00 that time - I guess
you didn't or did you get
my last letter sent to Apton's
enclosing a V letter for you
from Alfred - they will probably
forward it. I'll send plane
pauldals and Garenllis next week
I'll have to get a chance to
go to Dulles St to get pauldals -
in the meantime you better

buy cigarettes -

I'll write you tonight
again - You'll probably
get tonight's letter before
this reaches me. The
Chief going back to work on
Monday - he was home two
weeks -

All for now. I am

Love from Mother
